Attention

Opinion expressed on G.C. Sewer!

I won't be able to attend the hearing of the Commission office Oct 3 at 10 am. I still want my opinion known and counted. The increase proposed is outrageous. I have followed the works & reports on Gold Canyon Sewer. I have listened to the lies and proposals for 3 years, nothing is like it started and out to be. It seems to me & others, that no one knows what they're doing-or even worse maybe unethically they do.

Yes, I'm a widow, yes, I'm a retiree, yes, I love Gold Canyon. No, this increase is quite uncalled for due to some ones screw up.

Please read this at the meeting I want my voice heard.

Sincerely Dorothy L Archer
